

## **INS Superior Student of the Month Program**

Yet again, South Slope has partnered with Iowa Network Services (INS) for another exciting program available to students in grades 9 thru 12. Listed below are the details.

The **INS Superior Student of the Month** program recognizes students in grades 9 - 12 who have demonstrated excellence through their achievements in academics, arts, community, church, sports, political, club and/or entrepreneurial involvement. Each month during the academic high school year, INS will recognize one high school individual as the winner. Winners will receive a framed certificate and a \$250 savings bond.

Nominations must be made by a community leader, teacher, counselor, advisor, school leader, or other adult who has experienced understanding and involvement with the nominee. The student must be a student of outstanding character and deserves to be recognized. The student accomplishments must have been fulfilled within the last 18 months of the nomination.

The nomination form is available and is required to be filled out on line at:

[www.INSSuperiorStudent.com](http://www.INSSuperiorStudent.com). Winners will be chosen each month from the qualified pool of nominees from across the state of Iowa. A panel of three, third-party, independent judges outside the state of Iowa will select the winner based on achievement, growth, volunteerism, overcoming challenges, being a positive influence, and/or making a difference in one or more of the following categories:

Scholastic

Art, Music, and/or Theater

Sports

Community and/or Church

Club, Organization, and/or Political

Entrepreneurialism

The nominator will be required to validate the online entry by calling the number given upon completion of the nomination form to leave a unique confirmation number and a :60 recorded message that verbally confirms in their own words the basis for their nomination entry. By calling the given number and providing the confirmation number along with your recorded message, the nominator is consenting for Learfield Communications and INS to use their voice for the promotion of the **INS Superior Student of the Month** Award. The **INS Superior Student of the Month** will be announced on air during the fourth week of the month. Please direct questions to Stephanie Rourke, Director of Marketing by calling 665-5399 or by e-mail at [steph@southslope.com](mailto:steph@southslope.com).
